

Project 1 (Part B) Short Video-Storyboard

Project Overview:

Look at all your word groups and find any themes or ideas that that cross over. Then create one “master” list of words and create a one page project proposal based on that list. After this, create a story board for this project. The length of the final will be 2 min.

Guidelines

- Based on the discussion in class, create a new “source list”. Try to find the common source/subject/idea that exists in all three of your interests. **Your new source should be this common subject.** Write a paragraph discussing why you have chosen this idea as your source for the semester. You will you will read this paragraph before your presentation to the class next week.
- Use the provided storyboard form to draw and describe a 2 minute video work.

DUE NEXT CLASS –

- Printed copy of your paragraph discussing your source. (two copies: one for you and one for me)
- A stapled Photocopy of your Storyboard. (you keep the original)
